

# WAYS WE'VE MADE A DIFFERENCE

Port Waratah is committed to contributing towards the achievement of the UN Sustainable Development Goals (SDGs). The 17 SDGs are a global partnership recognising that ending poverty and other deprivations go hand in hand with strategies that improve health and education, reduce inequality, spur economic growth and work towards preserving the environment.

We have analysed to target level the case studies featured in Storylines, representing 10% of our total community support, to demonstrate some of our indirect contribution towards achieving the global goals. The graphic below highlights the linkages between the SDG's and Port Waratah's Community Investment and Partnership Programme.
